HOTO tool set QWDZGJ001 (9 items)

Make yourself comfortable while doing small repairs and DIY. The HOTO QWDZGJ001 tool set contains 9 practical elements. A hammer with a rubber grip, a cordless 3.6V screwdriver, a tape measure with a lock function, an adjustable wrench, multifunction pliers, and a set of bits are packed in a robust box, which you can easily take anywhere.

Cordless screwdriver

The practical 3.6V cordless screwdriver that is included in the set provides you with a high level of comfort. The cordless screwdriver offers 3 different torque settings and is equipped with LED lighting, which makes it easier to work in dim light. The durable battery makes the screwdriver serve you for a long time. The set also includes 10 different bits made of S2 steel.

Basic tools

The QWDZGJ001 includes several practical tools that are indispensable in any workshop. For example, you will find a hammer with a built-in magnet and a rubber cap, thanks to which you do not have to worry about damaging the work surface. The box also contains an adjustable wrench with a jaw width of up to 25 mm and pliers for convenient crimping and cutting.

Useful in many situations

This versatile tool set is suitable for many different scenarios and makes DIY and do-it-yourself work easier. You can also use the tools for small repairs, to tighten a screw on your bike or to assemble furniture. One handy set gives you lots of options.

Handy tool box

All tools are stored in a robust tool box, which is made of high-quality ABS plastic. It impresses not only with its modern design but also with its durable and damage-resistant construction. On the sides of the box you will find clips, which allow you to open and close it conveniently, and each tool has its own place, which allows you to keep order and tidiness.
