Ref: 6974491580478

Cordless Drill Deko Tools DKCD12XL01-H5S2 12V

Deko Tools DKCD12XL01-H5S2 cordless drill

The Deko Tools DKCD12XL01-H5S2 drill will make it easy for you to do construction, renovation or DIY sessions. It offers a maximum torque of 28 N.m and 2 speed settings. The powerful rechargeable battery provides long run time on a single charge, and the ergonomic design supports comfort.

Performance above all

The device delivers impressive performance thanks to its high torque. It has 18+1 settings with a maximum value of 28 N.m. It also allows speed adjustment between 2 modes - 350 / 1350 RPM (no load). With this versatile tool, you can easily complete your intended jobs or indulge in your passion for DIY.

Thoughtful design

The DKCD12XL01-H5S2 is distinguished by its ergonomic cordless design. Thanks to this, it guarantees extreme convenience of use without sacrificing performance. What's more, the device is equipped with a built-in flashlight, so you can easily perform the intended work even in less lit places.

Efficient power supply

Feel the true comfort of wireless solutions. With this tool, you are free to carry out assigned tasks - without the risk of tangled wiring or inability to use due to lack of access to a socket. You will receive 2 durable batteries with a capacity of 1500 mAh.
