Impact Drill Deko Tools DKID16G120

Ref: 6974491584513

Deko Tools DKID16G120 hammer drill

Make your work in wood, steel or concrete easier. The Deko Tools hammer drill offers 1200 watts of power and is equipped with a powerful motor. Its rotational speed is 3000 rpm and a special knob allows you to adjust the operation to your own needs. Moreover, its ergonomic design makes it comfortable to use.

Efficiency and precision

DKID16G120 has a powerful motor that operates at 3000 rpm. You can also adjust its speed to suit your needs with the help of a dial. You can use it to drill comfortably and easily into concrete walls, wood or steel.

Ergonomic design

The drill is designed to be comfortable to use. The anti-vibration handle makes work more comfortable and its relatively small design will allow you to use it comfortably in various conditions.
