DEKO Tools Tool Kit DKMT53

The DEKO Tools DKMT53 set contains 53 tools that you will find useful, for example, when repairing your car. They are perfect for the garage or workshop. In the package you will find, among other things, useful sockets, hex keys and bits, as well as ratchet 1/4" with 72 teeth. All elements of the set are made of durable, damage-resistant materials. The tools are packed in a practical case for easy storage and transportation.

Indispensable tool for the do-it-yourselfer

The set includes tools which will prove indispensable, for example, during car repairs. It is worth having them in the trunk, for example in case of an emergency. The 1/4" ratchet with quick-release coupling and 72 teeth has a 5° rotation angle, which makes it comfortable to use and allows you to finish the job faster. The sockets guarantee a secure, stable grip. The clever design of the tools means you can enjoy efficiency and comfort even during long periods of work.

High-quality workmanship

All the tools in the set are made of high-quality materials and meet the new, stringent ANSI standards. Robust and durable, they will serve you well for a long time. What's more, each piece of the set has its place in the durable, damage-resistant case. The compartments help you to keep order while working, storing and transporting your tools. This way you will always know where everything is and avoid

losing individual parts!
