Universal wireless mouse Havit MS989GT-B (black)

Ref: 6950676251609

### Havit MS989GT Wireless Mouse

Are you looking for a versatile mouse that works well for both casual, everyday use and dynamic gaming? The Havit MS989GT will be a real hit! The device is suitable for both right- and left-handed people, and thanks to its ergonomic design provides comfort of use. This 2.4G wireless mouse allows you to adjust the resolution in the range of 800-1600DPI, so you can perfectly adjust it to your needs.

### Reliable wireless connection - enjoy freedom

Say goodbye to cables that limit your freedom and discover the advantages of wireless solutions. The Havit MS989GT mouse uses 2.4G technology and provides a reliable, stable connection with a range of up to 8m. So you can work, browse the Internet or play your favorite games without interruption. The absence of tangled cables will also make it easier for you to keep your desk tidy.

### Adjustable DPI - get the right mouse for your needs

Want to see if there's something new on your favorite websites? Want to edit your travel photos? Or maybe you prefer to play a game? With adjustable sensitivity ranging from 800-1600DPI, the MS989GT is perfect for these and many other uses! Customize its performance to your needs and enjoy the smoothness you dream of.

### All-around user-friendly

The mouse was designed with different hand shapes in mind, so it can best accommodate different users' needs. This makes it suitable for both right- and left-handed users. The ergonomic design of the MS989GT means you can use it for hours without getting tired. The device does not strain your wrists and is incredibly comfortable to use.

#### Easy to use and powerful

The plug-and-play system makes installing the mouse quick and easy, so you don't have to spend time on complicated setup. The compact receiver is stored inside the device for easy transport and storage. Plus, the auto-sleep feature reduces power consumption. One AA battery is enough to power the mouse, which ensures a surprisingly long operation time.
