

Multifunctional Stand iPega PG-P5013B for PS5 and accessories

Multifunctional Stand iPega PG-P5013B for PS5 and accessories

Ref: 303276759345

iPega PG-P5013B Multifunctional Stand for PS5 and accessories (black)

Keep your gaming station neat and tidy. The iPega PG-P5013B multi-functional PS5 console stand will help you do that, featuring two cooling fans, two pad charging stations, a headphone stand, and game storage. Equipped with a USB2.0 port, it allows you to charge headphones and other accessories, while the included mounting screw ensures the stability of the stand.

Compact and functional

The iPega PG-P5013B stand for PS5 console is distinguished by unusual functionality. Compact and handy, it combines the function of a stand for the console and headphones, as well as a charging station for two pads. In addition, it efficiently distributes heat and allows you to store up to 17 games. It is equipped with a light indicator that will let you know when the pads are fully charged.
