Wireless Gaming Controller iPega PG-9217B with smartphone ho

iPega PG-9217B Wireless Gaming Controller with smartphone holder (red&blue)

Do you like mobile gaming? Looking for a way to make your gameplay more comfortable and score more victories? The PG-9217B is the perfect answer to your needs! This wireless game controller is compatible with smartphones measuring 135-165 mm, and its ergonomic design allows you to play comfortably for hours. Moreover, thanks to its carefully thought-out design, the device fits perfectly to your phone and ensures its stable and secure attachment.

Wide compatibility

The controller works with most popular smartphone models. It supports Android and iOS devices (versions 11.0-13.3.1). What is more, it is compatible with PC, PS3 and Nintendo Switch. So you can successfully use it to play on the hardware of your choice. The width of the gamepad can be adjusted in the range of 135-165 mm. Note: PG-9217B does not support phones with Mediatek processors.

Perfectly matched to your smartphone

The device has been designed in such a way that you can safely place your phone inside it. A special indentation ensures that the smartphone can be perfectly fitted to the controller, and the camera lens is protected from scratches. With iPega you will enjoy comfortable gaming without worrying about the safety of your smartphone!

Become a champion in your favorite mobile game

The gamepad has been equipped with sensitive buttons located in easily accessible places, which ensure quick response and simple, intuitive control. The sticks on the controller rotate smoothly and let you target your enemies with precision. So it's easy to aim and fire the perfect shot. Beat your opponents in the game, break another record and show who's boss!

Comfortable to play where you want

The PG-9217B features an ergonomic, user-friendly design. This light and handy controller fits perfectly in your hands and is easy to transport. It fits easily in your bag or backpack. You can always have it with you and comfortably play your favorite games wherever you want - at home, on the train, or even in the queue to the dentist!
