Kipozi 5-in-1 Hair Curler KP-186C

Do you dream of beautiful curls? Or maybe you like romantic waves? With the Kipozi KP-186C 5-in-1 curling iron you can easily create the perfect hairstyle! The device heats up in just about 30 seconds and allows you to style your hair without damaging it. It comes with 5 interchangeable tips so you can easily create the curls you want. You will also find a protective glove and 2 hair clips in the package.

Create your dream hairstyle

All you need is one appliance to create all sorts of curls. The set includes 5 interchangeable tips in the sizes 13-25mm, 19-33mm, 19mm, 25mm, and 32mm. This allows you to create both fine, thick curls and subtle waves on your head. Tip changes are quick and easy. You are now just a few steps away from achieving your dream hairstyle.

Heats up quickly

The curling iron is equipped with a high-performance PTC heating element which heats up very quickly, in around 30 seconds. The temperature is 180-210°C. What's more, the ceramic-tourmaline coating not only makes curling fast and efficient but also safe - no need to worry about damaging your hair! The solutions applied also have a great influence on the life of the curling iron.

Comfort and safety

Thanks to its clever, ergonomic design the curling iron fits perfectly in your hand and is comfortable to use. It switches off automatically after 60 minutes of operation. Its 2-meter long cable rotates by 360°, allowing you to enjoy freedom of movement. It also comes with a built-in stand so you can place it firmly on a table or cabinet at any time. In addition, the tip of the curling iron stays cool to protect you from scalding.

Practical accessories included

To make it even easier for you to create fantastic hairstyles, the set includes several useful accessories. Special hair clips make it easier for you to clip in strands of hair that you do not want to curl. This way you can enjoy more precision when you create your curls or waves. The package also includes a protective glove to prevent burns.
