

## Electric Rotary Shaver Limural 8317

Electric Rotary Shaver Limural 8317

Ref: 6973734201521

### Limural 8317 electric shaver

Ensure comfortable and safe grooming. You will be helped by the Limural 8317 electric shaver, which works at a speed of  $7500 \pm 500$  rpm and allows dry and wet shaving. The device has a blade made of high-quality stainless steel, which ensures thorough yet safe epilation. The durable battery guarantees up to 90 minutes of use, while the IPX6 waterproof rating means you don't have to worry about the device coming into contact with water. Quick charging is also a plus.

### Efficiency and safety

The electric shaver uses a high-end motor that runs at  $7500 \pm 500$  rpm and allows you to effectively remove all hair. Importantly, the device is fully safe, and the blades do not irritate the skin and have a self-sharpening function. Use the shaver for dry shaving if you care about time, while wet shaving will ensure maximum accuracy.

### Thoughtful design

The Limural 8317 is designed for maximum comfort. Replacing the blades is extremely easy and is done with the touch of a button, while the non-slip surface of the handle guarantees a firm grip while shaving. Importantly, the set includes 2 sets of rotating blades, as well as a trimmer for precise beard styling.

#### Long working time

The device is equipped with a 700 mAh battery, so you can enjoy cordless operation and maximum freedom of movement during grooming. The shaver can run for up to 90 minutes on a single charge, and it takes only 1.5 hours for the power to renew quickly. A light indicator will let you know when the battery is low and then when the device is fully charged.

#### Stylish and handy

The Limural brand shaver impresses not only with its functionality, but also with its modern, stylish design. Thanks to its light weight and handy design, you can easily take it in your makeup bag and take care of your elegant beard on vacation or on a business trip. The lock function will help prevent accidental activation - just press the power button for 3 seconds. Compatibility with 100 - 240 volts is also a plus.

#### Trimmer included

The kit comes with a practical tip that is perfect for styling mustaches, beards or sideburns. The trimmer provides high precision, making it perfect for finishing grooming. Importantly, changing the tip won't be a problem for you - all you have to do is press one button.
