Sonic toothbrush with head set and case FairyWill FW-E11 (b)

FairyWill FW-E11 sonic toothbrush with tip set and case (black).

Take care of your oral hygiene with the FairyWill FW-E11 sonic toothbrush, which is safe for enamel and gums while providing effective cleaning. It features a smart timer that will remind you to change the area you're brushing after 30 seconds, ensuring an optimal 2-minute clean. The FW-E11 offers 3 modes that you can customize to suit your needs. The toothbrush is IPX7 waterproof, and offers fast charging. The set includes up to 8 interchangeable tips and a practical case.

Thorough cleaning

The toothbrush guarantees thorough cleaning even of hard-to-reach areas, the device generates vibrations at a frequency of 40,000 per minute. It will remove stubborn stains and tartar, leaving your teeth clean and sparkling!

Smart timer

The toothbrush is equipped with a smart timer that will remind you every 30 seconds with a short pause of vibration to change the area to be cleaned. You don't have to worry anymore if you brush your teeth for the right amount of time, after 2 minutes the device will automatically finish the job.

3 modes of operation

The toothbrush responds to different user needs - it offers 3 modes of operation. Clean mode provides effective cleaning for hygiene and dental health. Soft was designed for owners of sensitive teeth, or novice users. Massage, on the other hand, offers a gentle gum massage.

8 tips included

To avoid the proliferation of bacteria and to ensure that all the equipment works effectively, be sure to replace the tips regularly. The set includes 8 replaceable tips - such a supply will last you as long as 2 years! Now you can share your set with the rest of your household. Are you worried that you will forget to replace the tip? Don't be! When the time is right, the DuPont bristles will begin to fade to remind you.

Waterproof

The FairyWill FW-E11 toothbrush is also distinguished by its IPX7 waterproof rating. So you can use it in the shower or bath without worry. Even if you splash it, it won't be damaged. You can also rinse and clean it. This way you will not only keep it in perfect condition for longer, but also reduce the risk of bacteria multiplication.

Longer working time

The FW-E11 toothbrush is cordless, giving you incredible convenience. The long-lasting battery allows for up to 30 days of use on a single charge. Charging the device takes only about 2 hours. The cordless, portable design and long run time mean that the toothbrush can accompany you almost anywhere - including on vacation. Its transportation is made easy by the included case.
