Photo shoulder bag Puluz (black)

Ref: 5907489609173

Puluz photo shoulder bag (black)

Looking for a sturdy bag to keep your gear safe? Made of wear-resistant and waterproof textile material, the Puluz bag is sure to meet your expectations! The product has been designed in such a way as to ensure maximum safety of your equipment.

Solid workmanship

The bag has been made of wear-resistant and waterproof materials. It ensures complete safety for your equipment, thanks to the thickened fabric inside the product, which is designed to minimize the damage to your camera caused by vibrations.

Perfect for everyday use

The product is lightweight and collapsible, featuring padded compartments inside to keep your gear safe - stash your cell phone, cable and other small items. Its hierarchical layout with large capacity, will be perfect for everyday use. And that's not all! Additional security is provided by double zippers, while soft and comfortable shoulder straps, which can be adjusted as needed, ensure comfort of use.
