

### Torque Wrench Deli Tools EDL300, 1/2, 0-300Nm

Torque Wrench Deli Tools EDL300, 1/2, 0-300Nm

Ref: 6974173016691

Deli Tools EDL300 torque wrench 1/2"

Accurate tightening force of bolts and fasteners is extremely important. The Deli Tools EDL300 torque wrench will allow you to accurately adjust this parameter on a scale of 0-300 NM. It is made of high-carbon steel and chrome vanadium steel, guaranteeing extreme durability and wear resistance. The knurling design of the handle ensures a secure grip during the work.
