Power charger Blitzwolf with 8 AC outlets, BW-PC3, 2x USB, 2

### BlitzWolf BW-PC3 power charger

Now you can conveniently connect up to several devices to power at the same time. The BlitzWolf BW-PC3 vertical wall charger is equipped with 8 AC outlets, 2 USB-C ports and 2 USB-A ports. It boasts a maximum power output of 2500W and supports fast charging. It also ensures safe use. All this makes it easy for you to charge your devices at home, at work or on vacation.

### Multiple available ports

You'll find that you only need one charger to provide power to a wide variety of devices. The BW-PC3 offers up to 12 different ports - 8 AC, 2 USB-C (PD 20W) and 2 USB-A (QC3.0 18W). Connect your and your kids' smartphones, tablet, laptop, powerbank, smartwatch and Nintendo Switch console to it - don't worry about running out of available outlets!

### Fast USB charging

Say goodbye to prolonged waiting for your devices to be charged. The BW-PC3 charger supports fast charging (on USB ports) and supports Smart IC technology, so it automatically adjusts its power to the requirements of the connected equipment. Now it only takes a few moments to charge your tablet or phone!

### Safety of use

You don't have to worry about the safety of the charger and the devices connected to it. The product is equipped with an effective protection system against overload, short circuit and overcurrent, among other things. It also has a durable, fireproof housing made of PC V0 plastic. As a result, it allows not only fast but also safe charging and will serve you well for a long time.

#### Thoughtful design

With dimensions of 145x120x107mm and a well-thought-out vertical design, the charger won't take up much space on your desk and will make it easy for you to stay organized. No more tangled cables! Convenient operation of the product is enabled by a special switch. A long, 2-meter long cable allows you to connect the charger to electricity.
