Earphones Soundpeats Mini Pro (black)

Ref: 6941213606051

TWS Soundpeats Mini Pro earphones

Enjoy your favorite music for up to 21 hours! The earphones come with a charging case that extends the accessory's operating time. Noise cancellation technology (CVC 8.0) effectively eliminates ambient noise for greater comfort when talking on the phone. The Bluetooth 5.2 module offers an excellent quality connection without interference, and the lightweight and ergonomic design of the Soundpeats Mini Pro will not cause discomfort for a long time.

Durable battery

Low-power technology provides up to 7 hours of use on a single charge, while the case offers another 14 hours. In addition, the earphone case has a smart indicator that will let you know the remaining battery charge. This will help you renew their energy in time.

Long-lasting comfort

Another advantage of the Mini Pro is their small and lightweight design. Each earphone is smaller than a coin and weighs about as much as a sheet of paper. They fit perfectly to the shape of the ears, providing long-lasting comfort.

Water resistant

A walk in the rain, an intense workout - Mini Pro are ready for it! The headphones are IPX5 water resistant, so you can take them with you

to the gym, etc. without worry.

Convenient operation

The touch panels on the headphones provide quick and convenient access to functions such as answering calls or stopping playback. It is also possible to use just one earphone thanks to mono and stereo modes.
