

## Bluetooth 5.0 handset Vipfan BE03 (white)

Bluetooth 5.0 handset Vipfan BE03 (white)

Ref: 6971952433410

### Vipfan BE03 Bluetooth 5.0 Handset

The Vipfan BE03 Bluetooth handset is designed for people who frequently talk on the phone. The 10mm driver provides high quality sound, and the durable battery allows you to enjoy a long operating time. The product also provides unparalleled comfort.

### Crystal clear sound

Enjoy crystal clear, natural sound when you're talking on the phone. The handset is equipped with a 10mm copper dynamic driver that guarantees high-quality 360° surround sound and powerful, deep bass. Say goodbye to unpleasant rasps!

### Dual noise cancellation

Now you can talk on the phone in the car, on the bus or at the mall without any disturbance. The BE03 handset offers double noise cancellation, so it effectively eliminates unnecessary background noise. This gives you the confidence that, regardless of the conditions, you and your caller will hear each other perfectly!

### Long operating time

Talk on the phone for as long as you need. The handset is equipped with a durable battery with a capacity of 150mAh. It also uses advanced technologies that are responsible for optimizing its performance. As a result, it can provide a long operating time on a single

charge.

#### Reliable connection

No more delays and other signal quality issues. The handset uses Bluetooth 5.0 technology, so it can provide a fast and stable wireless connection. It is also distinguished by its resistance to interference. Say goodbye to limitations and enjoy freedom of movement!

#### Comfort of use

With the Vipfan BE03 you can talk on the phone for as long as you want without fear of fatigue. The handset fits perfectly in the ear and does not fall out of it. It is also incredibly lightweight and comfortable. The ergonomic design ensures that the device does not cause uncomfortable pressure or discomfort.
