BlitzWolf BW-TC15 USB to USB-C cable

The BlitzWolf cable provides fast device charging and data transfer. It also features high resistance to damage, bending and oxidation. Additionally, the USB-C port allows you to connect multiple devices.

Fast charging and data transmission

BW-TC15 supports 3A Quick Charge and provides fast data transfer up to 480 Mbps. It is also compatible with QC2.0 and QC3.0 systems that support fast charging.

Durable

The use of high-grade materials positively affects the life of the accessory. It is resistant to bending, and the life of the port is more than 10,000 connections. Nickel-plated tip is not subject to corrosion and oxidation. In addition, the cable is finished with a PVC plastic coating, for greater durability.

Wide compatibility

The cable works with most digital devices that contain a USB Type-C port, including models from Samsung, LG, Sony, Nokia, BlackBerry, Huawei, Xiaomi, HTC, Meizu, Lenovo, OnePlus and many more.
