### Vipfan BS06 Bluetooth Wireless Speaker

Discover your favorite songs in a new and better quality. The Vipfan BS06 wireless speaker can provide stunning 360° surround sound, and its runtime reaches 4-6 hours on a single charge. It allows you to play music in several ways - from a TF card, via an AUX cable or via Bluetooth 5.0. At the same time, it looks extremely modern and stylish.

### High quality sound

The speaker's power reaches 2x 5W, and its dual drivers allow you to enjoy high-quality HD stereo surround sound. The BS06 provides powerful, deep bass and ear-pleasing treble, which translates into perfect harmony. Give yourself an unforgettable experience when listening to music, watching movies or playing games!

### Multiple connectivity options

Comfortably play music from a variety of sources. If you appreciate the freedom offered by wireless solutions, connect to the speaker via Bluetooth 5.0 and enjoy fast, stable transmission. Or connect the device of your choice to the BS06 via an AUX cable. The product also supports TF cards.

### Tailored to your needs

The speaker is very easy to use and looks great. Made of ABS and PC, the housing gives it an elegant character and is extremely pleasant to the touch. You also don't have to worry about having to charge the device frequently. The durable 1200mAh battery makes the speaker last up to 4-6 hours on a single charge.
