

USB to Micro USB cable Vipfan X10, 3A, 1.2m, braided (black)

Ref: 6971952431324

USB to Micro USB cable Vipfan X10, 3A, 1.2m, braided (black)

Vipfan X10 USB to Micro USB cable, 3A, 1.2m, with braided cable

Use the Vipfan cable to charge your equipment and transfer files. It is compatible with devices with a micro USB port, and thanks to its sturdy construction, it is durable and resistant to damage. In addition, the included Velcro makes it easy to store.

Charge devices, transfer files

The Vipfan X10 cable features copper conductors, which translates into fast charging (3A) and data transmission. No longer do you have to wait indefinitely for your phone to be charged and files to be transferred.

Robust design

The X10 is distinguished by its carefully considered design. Aluminum was used in the production of the cable, so you can be sure that it will serve you for a long time. In addition, the nylon braid extends the life of the product. In addition, the tip - the most sensitive place of the cable, was additionally reinforced and protected from damage. Velcro attached to the X10 will make it easy to store and keep organized.
