USB to Micro USB cable Vipfan X06

The Vipfan X06 USB to Micro USB cable is housed in a practical package, making it easy to transport and store. The product allows fast charging with a maximum current of 3A, so you can quickly and safely renew the energy of your devices. Thanks to the use of high-quality PVC material, the cable is pleasant to the touch and resistant to bending.

Functionality and convenience

The Vipfan X06 USB to Micro USB cable is the perfect combination of efficient operation and thoughtful design. The X06 charges with a maximum current of 3A, which translates into a short recovery time. The product is housed in a transparent box, which allows you to take care of tidiness and easily store it in your backpack or pocket.
