

Wired in-ear headphones Vipfan M16, 3.5mm jack, 1m (black)

Ref: 6971952433632

Wired in-ear headphones Vipfan M16, 3.5mm jack, 1m (black)

Vipfan M16 wired dock headphones, 3.5mm jack, 1m (black)

Enjoy superior sound quality when you play games, listen to music or talk on the phone. The Vipfan M16 in-ear headphones are equipped with dynamic 10mm drivers and deliver deep, emphasized bass, and natural sound. At the same time, they are extremely lightweight and comfortable. The remote control, integrated into the cable, allows you to change the song being played and even answer incoming calls.

Natural sound

Dynamic 10mm drivers deliver natural, richly detailed sound. They let you enjoy enhanced bass and perfectly balanced midrange. All this means that you can not only rediscover your favorite songs, but also experience even more immersion during gaming.

Built-in remote control

Experience how simple and convenient headphone operation can be. The M16 have a remote control integrated into the cable, so you always have all the most important functions at your fingertips. With its help, for example, you can change the song you are playing or answer a call.

Stylish design

The headphones are distinguished by their simple yet stylish design. They are comfortable even during long hours of use and do not fall out of your ears. A sliding buckle on the cable, prevents tangling.
