Vipfan P02 USB-C to USB-C cable, 1m (white)

The durable 1m USB-C to USB-C Vipfan P02 cable provides fast and secure charging for multiple devices, and guarantees seamless data transfer. Made of high-quality materials, it is extremely durable and will serve you for many years.

Fast and safe charging

The Vipfan USB-C to USB-C cable supports 3A charging, which means it will take about 30 minutes to charge your phone to 50%. A smart chip is responsible for stable current, ensuring the safety of connected devices.

Unique design

The cable is made of high-quality materials, resistant to minor mechanical damage, abrasion or abrasion.

Lightning-fast file transfer

The cable allows extremely fast data transfer at 480Mbps. As a result, it takes just 40 seconds for a 1G transfer. Transfer all your photos, videos and other documents at a delightfully fast pace.
