USB-C to USB-C cable Vipfan P05, 60W, PD, 2m (white)

Vipfan P05 USB-C to USB-C cable, 60W, PD, 2m

The Vipfan cable will allow you to charge your device in no time thanks to the PD protocol, and solid workmanship is responsible for the product's durability. In addition, with the P05 you will quickly transfer files.

Charge your device, transfer files

You no longer have to wait indefinitely for your equipment to charge. The Vipfan cable supports the PD 60W fast charging protocol, so you will renew your device's energy up to 50% in about 30 minutes. In addition to this, it supports lightning fast data transmission (3A), which will allow you to transfer files quickly.

Thoughtful design

The cable was designed to last you as long as possible. It is made of PVC plastic, and its ends are additionally reinforced, making it resistant to damage and breakage. What's more, the pure copper conductor affects the charging speed.
