TWS Vipfan T06 Wireless Headphones, Bluetooth 5.0 (black)

Lose yourself in the exceptional sound offered by the Vipfan T06. Equipped with stereo surround sound and HIFI effects, the headphones guarantee you fantastic sound quality when you listen to music, talk on the phone or play games. You can operate them using the touch panel. The Bluetooth 5.0 connection guarantees reliable transmission, and the durable battery is responsible for long operating time.

Gesture-based operation

Don't have your phone with you, but want to change the song you're playing? No problem! The built-in touch panel allows you to operate it conveniently - just hit the handset twice and a new song will start. And that's not all! The headphones quickly and seamlessly connect to your device. It is also possible to pair only one of them - listen as you like!

Reliable connection

Problems with signal quality will be a thing of the past! TWS Vipfan T06 wireless headphones use Bluetooth 5.0 and a smart IC chip to give you a fast, smooth and stable wireless connection with extremely low latency.

Long runtime

Listen to your favorite music for even longer! The long-lasting battery allows you to play music for up to 5 hours on a single charge, and

the included case lets you extend this time to about 50 hours. You can replenish the necessary energy with a USB-C cable in just 1.5 hours.

Unique design

Listen to your favorite songs for hours without feeling uncomfortable! Vipfan T06 are built to make wearing them completely comfortable for you. Thanks to their ergonomic design, they fit perfectly in your ears without falling out or causing uncomfortable pressure.
