USB to Lightning cable Vipfan X02, 3A, 1.8m (red)

Vipfan X02 USB to Lightning cable, 3A, 1.8m (red)
Use the X02 cable to quickly and safely replenish your device's power. Thanks to its thoughtful design, the cable will instantly charge your equipment and allow you to transfer files. Its length is 1.8m, and solid workmanship is responsible for resistance to damage.

Fast charging and file transfer
The Vipfan cable is compatible with devices with a Lightning port, and thanks to pure copper conductors, it provides fast charging. What's more, the 3A amperage ensures lightning-fast data transfer - no more waiting indefinitely for files to transfer.

Thoughtful design
Another advantage of the Vipfan cable is its robust construction. The X02 is equipped with conductors made of 100% pure copper, which translates into high performance of the device. What's more, the TPE plastic finish makes the cable resistant to bending. The end of the cable is further reinforced to provide more protection against damage. In addition, special Velcro will make storage easier.
