Vipfan X02 USB to Lightning Cable (red)

Equip yourself with the sturdy Vipfan X02 USB to Lightning cable, which allows you to safely renew the power of your selected devices and transfer data quickly. Made of durable TPE plastic, it is highly resistant to bending, so it will serve you for years.

Fast charging and robust construction

The Vipfan X02 cable charges with a maximum current of 3A, so it doesn't take long to renew energy. The cable is made of pure copper, while the nylon braid provides high resistance to bending, making the cable extremely flexible and durable.
