

USB to USB-C cable Vipfan Racing X05, 3A, 1m (white)

Ref: 6971952431959

USB to USB-C cable Vipfan Racing X05, 3A, 1m (white)

Vipfan Racing X05 USB to USB-C cable (white)

The USB to USB-C cable from Vipfan Racing X05 is made of high-quality materials and allows fast charging with a maximum of 3A, as well as data transfer at 480 MB/s. The USB-C output ensures wide compatibility, and the use of durable PVC material makes the cable nice to the touch while resisting bending and mechanical damage.

Fast charging and data transmission

The Vipfan Racing X05 USB to USB-C cable allows fast charging with a maximum current of 3A, so you will renew the energy of the equipment you need in no time. The cable will also allow you to transfer important files, photos or music at express speed - the data transfer speed is 480 MB/s.

Solid workmanship

The cable is made of durable and environmentally friendly PVC material, so it is extremely durable and will serve you for years. The product is nice to the touch, and at the same time stands out for its high resistance to bending. Strengthened construction of the connector and elegant design are also advantages.
