USB to Micro USB cable Vipfan Colorful X13, 3A, 1.2m (black)

Vipfan Colorful X13 USB to Micro USB cable, 3A, 1.2m (black)

Charge your devices and flip data with the Vpfan Colorful X13 cable. The product offers high output amperage and technology that stops charging once the process is complete. Its special braided construction ensures high durability and resistance to bending.

Thoughtful design

Vipfan X13LT features a Micro USB interface. The cable's design implies high resistance and protection. Its heavy-duty nylon braid, the use of zinc alloy and reinforcements at the joints ensure high durability and resistance to bending. Forget about wicking spoiling charging cable contacts.

Many conveniences

Make sure charging your device is done in a way that is safe for the battery. A smart chip automatically stops charging when it's finished, taking care of the life of your equipment. What's more, the cable has a light indicator to let you know the status of the refilling process.
