

Powerbank Romoss PEA30 30000mAh (black)

Powerbank Romoss PEA30 30000mAh (black)

Ref: 6936857200741

Romoss Powerbank PEA30 30000mAh (black)

Charge your gear quickly and safely. The Romoss PEA30 Powerbank stands out for its 30,000mAh capacity and fast charging thanks to 30 watts. What's more, you can charge 3 devices at the same time thanks to USB x2 and USB-C ports. In addition, it meets safety standards, so you don't have to worry about damaging your device.

Instantly renew your device's energy

The powerbank supports such fast charging protocols as PD 30W, PD 27W, AFC 25W, and QC 3.0 18W. So it only takes about 30 minutes to charge the iPhone 13 Pro Max to 55% and the Samsung S21 Ultra to 40%. In addition, the USB x2 and USB-C ports allow you to charge 3 devices simultaneously, saving you time.

Wide compatibility

Worried that your equipment won't work with Romoss PEA30? Don't be! The manufacturer has included in the compatibility list such devices as iPad Air, iPhone 13, Samsung Galaxy S22, etc.

Capacity of 30000 mAh

The device has a battery whose materials are also used by Apple and Tesla, and offers 750 charging cycles. What's more, the 30-watt

power provides 33% faster charging than regular charging. As a result, the charging time of the device is about 5.5 h.

Safety of use

The Romoss PEA30 is designed to be safe to use. It is equipped with an NTC sensor that monitors the temperature of the battery. Moreover, it adjusts the voltage and amperage according to the connected device. It also meets international safety standards (CE, RoHS and FCC), so you can be sure that your device is protected from damage.
