

## Powerbank Romoss PSW30PF 3000mAh, 22.5W (white)

Ref: 6973693499205

Powerbank Romoss PSW30PF 3000mAh, 22.5W (white)

Powerbank Romoss PSW30PF 3000mAh, 22.5W (white)

The Romoss Powerbank allows you to quickly and safely charge several devices simultaneously. What's more, it stands out for its wide compatibility and safety of use. In addition, the LED display will provide you with the most important information about the operation of the device.

**Fast and convenient charging**

Romoss PSW30PF allows you to charge 3 devices at the same time, saving you time. What's more, the powerbank supports fast charging protocols (SCP, QC, PD), for even faster charging. This means you'll renew your iPhone 13's energy to 60% in just 30 minutes.

**30,000 mAh capacity**

The product is equipped with a 30,000 mAh battery, which provides long battery life - up to 7 days. With its help, on a single charge, you will charge your iPhone 13 or Samsung S10 up to 6 times. On the other hand, the powerbank's charging time takes about 8.2 hours.

**A range of safety features**

The powerbank is designed to make its use completely safe. The PSW30PF has protection against overcharging, overcurrent, over-discharge, overheating and short circuit.

#### LED display

Another advantage of the Romoss powerbank is the LED display. From it you can read the remaining battery level, amperage and voltage value. What's more, the screen will also show a fast charging icon - just take a look.
