

Propeller Guard PGYTECH for DJI Mini 3 Pro (P-30A-040)

Ref: 6970801337688

Propeller Guard PGYTECH for DJI Mini 3 Pro (P-30A-040)

PGYTECH propeller guards for DJI Mini 3 Pro (P-30A-040)

Propeller guards ensure safety during flight. They are lightweight and durable, and are perfect for beginners in particular. You will use them when recording scenes indoors and wherever there are many obstacles.

High quality workmanship

The P-30A-040 is made of ABS plastic, which translates into a durable product. Thanks to the foldable design, they will take up less space during storage, and their assembly/disassembly is quick and easy, so you won't have any problems.
