2-in-1 electric shaver and trimmer Kensen

Kensen 2-in-1 electric shaver and trimmer

Take care of your appearance no matter where you are. The 2-in-1 shaver and trimmer from Kensen features a lightweight and compact design, so you can take it on vacation or on a business trip. In addition, it offers a precise shave and features self-grinding stainless steel blades. It runs quietly and doesn't cause a pulling sensation, and the USB port makes charging easy.

Safety and precision

The Kensen 06-KTXD12-001 electric shaver is equipped with rotating, self-grinding blades, which translates into unparalleled precision in use. In addition, the thickness of the blade mesh is 0.1 mm. What's more, the device's motor operates at 6500 rpm, which translates into high performance.

Up to 22 days of operation on a single charge

The 2-in-1 device from Kensen has a 300 mAh battery, so it can work for up to 22 days on a single charge if you use it for 2 minutes every day. On the other hand, uninterrupted operation time is about 45 minutes. A USB cable is also included for easy charging. After about 2 h, the device will be ready for further use.

Thoughtful design

The shaver also functions as a trimmer - just replace the head (included). What's more, its lightweight and compact design makes it easy to use and transport. You can also store it without any problems. In addition, the shaver's blades are water-resistant, so you can conveniently clean them and prevent the multiplication of bacteria.
