

Waterproof camera backpack Puluz PU5011B (black)

Waterproof camera backpack Puluz PU5011B (black)

Ref: 5907489601313

Puluz waterproof photo backpack PU5011B (black)

The Puluz professional backpack is a useful accessory that will be perfect for transporting various photographic accessories and cameras. It was made of high-quality materials, so carrying it even during a long trip will not cause the user any problems. A specially designed interior with adjustable compartments reliably protects your equipment from damage, and what's more, you can easily adjust it to your needs. A waterproof cape is also included.

Fits all your essential items

The backpack is very roomy, in addition to your camera and dedicated accessories, it will also hold a 15.6-inch notebook, water bottle, tablet, newspaper, smartphone, sunglasses, small towel, umbrella and cosmetics. The backpack also has an external outlet for a headphone cord.
