Case Nillkin CamShield Silky for Apple iPhone 14 Pro (Black)

CamShield Silky case for Apple iPhone 14 Pro (black)

The case is made of durable materials and comes with a practical lens cover that will effectively protect the lens from any scratches. I guarantee protection from scratches and shocks. Built-in magnets allow wireless charging of the smartphone without taking off the case. It fits the phone perfectly and has special cutouts for ports and speakers.

Sliding lens cover

The case features a specially designed sliding cover that effectively protects your smartphone's camera from scratches and dust. What's more, it increases the level of privacy while using your iPhone.

Comfortable use

The case is made of silicone that is pleasant to the touch. In addition, the case can be easily cleaned if necessary - it does not leave fingerprints or sweat marks. It has built-in magnets, so you can easily charge your smartphone with inductive chargers, without having to take off the case.

Reliable protection

The CamShield Silky case will not only give your smartphone an elegant touch, but will also provide a high level of security. The strong

and durable material will protect your phone from accidental drops. While the microfiber inside the case guarantees protection against scratches and shocks.
