Case CamShield Armor Pro for iPhone 13 Pro (black)

CamShield Armor Pro iPhone 13 Pro Case (black)

The CamShield Armor Pro case provides excellent protection for your phone, but not only! The case is equipped with a functional finger grip, which you can use as a phone stand or a magnetic car grip. In addition, it has a sliding cover that protects the camera lens from scratches and dust. It perfectly adheres to your smartphone, providing comprehensive protection.

Convenience during use

You don't need to take off the case for charging! You can easily use the wireless charging function of your smartphone. Precisely cut openings for buttons and speakers make it a perfect fit for your phone.

Thoughtful design

The unique shape of the case gives it an uncommon character! The grained texture is extremely pleasant to the touch. In addition, the case is equipped with a practical rotating finger grip, which provides even more convenience during use. You can easily use the magnetic holder as a stand for your phone while watching your favorite series or a car grabber.

Comprehensive protection

The case is equipped with a sliding cover that protects the camera lens from scratches. In addition, a functional aperture allows you to

maintain privacy when you are not using your smartphone's camera. High-quality materials used for the case guarantee a high level of protection for your phone. Moreover, additionally reinforced corners prevent shocks.
