Tempered glass Nillkin HD 2in1 for Apple iPhone 14

Nillkin HD 2-in-1 tempered glass for Apple iPhone 14

Provide your smartphone with the right level of protection. Nillkin HD 2-in-1 Tempered Glass is the perfect protection for your iPhone 14 screen, featuring high transparency, durability and a thin, scratch-resistant design.

### High level of protection

The screen protector is made of tempered glass with 9H hardness. This provides a high level of protection and scratch resistance. What's more, it comes with an additional cover for the camera lenses, so all the sensitive parts of the smartphone will be properly protected.

### Thoughtful design

The design of the product has been designed with the smallest details in mind. The thin, but multi-level structure stands out for its perfect fit, so that it does not negatively affect the touch operation of the phone. Opt for a combination of functionality and convenience - no compromises!
