Powerbank Baseus Bipow Pro 20000mAh, 2xUSB, USB-C, 22.5W (pu

Powerbank Baseus Bipow Pro 20000mAh, 2xUSB, USB-C, 22.5W (purple)

Charge your devices quickly and safely wherever you are ! Try the Baseus Bipow Pro with 20,000mAh capacity and enjoy plenty of power in this compact device. The design of the powerbank allows you to carry it with you at all times - the light weight and small size allows you to pack the device in your bag or backpack. And that's not all! The product is compatible with international air transport standards, which allows you to take it with you almost anywhere.

### Thoughtful design

The compact design and low weight of the powerbank will allow you to have it with you almost anywhere. The device is small enough that you can easily fit it into a purse or backpack. Its casing is distinguished by a pleasant texture to the touch, and features a stylish finish. The product is equipped with an easy-to-read LED screen, which displays the current battery level in real time.

### Fast charging

The powerbank supports several fast charging protocols. It is compatible with SCP, QC and AFC, among others. The powerbank charges at 22.5W, which means your gear will be charged in no time. It supports 20W PD fast charging for Apple 8-13, but what about the powerbank itself? It only takes 6-7 hours to fully charge it at 18W.

### Large capacity

The device is distinguished by its large capacity of 20000mAh, which will allow you to power your equipment even several times. You can charge your iPhone 13 4 times, while you can charge your Iphone 8 as much as 6.5 times! The Mate 40 can be charged 3 times, and the Iphone 12 5 times. Baseus Bipow Pro, is a great choice for traveling!

### Connect several devices at once

The powerbank is equipped with several outlets, so you can connect more than one device to it at the same time. The product offers 2 USB output ports, and 1 USB-C output/input port. What does this mean in practice? With the powerbank, you can, for example, power your tablet and 2 smartphones at the same time - no more waiting for the first device to be charged before connecting the next one!

### Safety of use

The high-end polymer-lithium battery guarantees not only fast, but also safe charging. Baseus offers protection against overvoltage, overcurrent, overcharging and short circuit, among others. The powerbank is also equipped with NTC temperature sensors to prevent overheating.

### A dream travel companion

Make yourself a reliable power source that can accompany you almost anywhere. The Baseus powerbank is lightweight and handy - its transportation will not cause you any problem. You can even bring this practical device on board a plane - it meets all the necessary requirements. Baseus gives you the opportunity to conveniently charge your devices wherever you need.
