Angle USB Lightning Cable Mcdodo CA-4671 LED, 1.2m (Black)

Mcdodo CA-4671 LED angle USB to Lightning cable, 1.2m (black)
 The Mcdodo CA-4671 LED angle USB to Lightning cable is made of nylon and is 1.2m long. The product allows you to charge Apple devices (iPhone, iPad, iPod) and synchronize data. The cable features high durability and has passed load tests. The product is fully safe - it controls temperature and protects devices from overheating and overcharging. It provides 50% faster charging!

Made for gamers!
 The cable is very flexible, ergonomic and bends 90° for comfortable use. This allows you to play comfortably, even while your phone is charging. The cable also has an innovative design thanks to LED backlighting. There are two LED backlighting modes - day and night, which differ in brightness level and light intensity.
