USB-C to USB-C Mcdodo 60W Cable, 2m (Black)

Ref: 6921002680813

Mcdodo Button 60W USB-C to USB-C cable, 2m
 This practical cable from Mcdodo was created specifically with gamers in mind. The 90° curved connectors allow comfortable gameplay while charging, and the high power of 60W allows you to restore power to your devices in an incredibly short time. The product also provides a data transfer speed of 40MB/s. At the same time, the cable is extremely durable. It is also distinguished by built-in LED backlighting.

Ideal for gamers
 Do you often use your devices while charging? Do you want to make sure that your phone doesn't discharge at the crucial moment of a game? The Mcdodo Button angled cable will be right for you! Its connectors are curved at a 90° angle, so they do not protrude or interfere with the use of your smartphone or tablet. So you can enjoy unparalleled comfort!

60W power
 The Mcdodo Button cable supports fast charging with up to 60W of power. For example, it allows you to charge a 13″ MacBook Pro or Samsung Galaxy S20 in about 2 hours, a Nintendo Switch console in about 2.5 hours, and an 11″ iPad Pro in about 2.4 hours. The product

also stands out for its wide compatibility. It can seamlessly charge MacBooks, Dell or Lenovo laptops, Xiaomi and Samsung smartphones, iPads, Nintendo Switch and more.

Fast file transfer
 Do you often transfer files between devices? The Mcdodo Button cable will come in handy for that too! The product offers a standard USB 2.0 interface, allowing you to transfer data at speeds of up to 40MB/s. This means that you can transfer 1GB of files in about 30 seconds! No more long waits until all the photos or videos you need are at their destination.

Improved design
 High-quality wires are responsible for the reliable performance of the cable, and its durable connectors will not loosen even after prolonged use. Also noteworthy is the nylon braid. It increases the durability of the product and protects it from wear, breakage and other types of damage. What's more, there are small LEDs at both connectors of the cable, which will make it easier for you to locate the cable and provide information on the charging status. The product also offers 2 modes of illumination - day and night.

   Brand Mcdodo Model CA-8081 Color Black Type USB-C to USB-C Current 3A max. Power 60W max. Transmission speed Up to 40MB/s Length 2m
