

Wall charger Acefast A37 PD100W GAN, 4x USB, 100W (white)

Ref: 6974316281672

Wall charger Acefast A37 PD100W GAN, 4x USB, 100W (white)

Acefast A37 PD 100W GAN charger 3x USB-C, 1x USB-A

The Acefast A37 is a charger you can rely on. It is equipped with 4 ports (3x USB-C, 1x USB-A), allowing you to power up to 4 devices simultaneously. It also supports various fast charging standards and uses GaN technology, which guarantees higher efficiency and more effective cooling. At the same time, the product ensures the safety of use and is extremely handy yet durable - fire-resistant PC was used for its construction. You'll also find a USB-C to USB-C cable included.

Enjoy fast charging

Don't waste time waiting for your devices to be ready to use again. The A37 charger supports several fast charging standards, including PPS, PD3.0, PD2.0, QC4+, QC3.0, QC2.0, AFC, FCP and SPC. It also allows you to charge iPhones at 2.4A and select Samsung smartphones at 2A. This will restore power to your phone, tablet or even laptop in no time.

As many as 4 available ports

Need to charge several different devices? You don't need to occupy multiple outlets at home anymore! With Acefast you'll find that you only need one charger to charge up to 4 pieces of equipment at the same time! The A37 model offers up to 4 ports - 3x USB-C and 1x USB-A. In addition, its maximum output power is 100 watts. Even when you charge 4 devices at the same time, it won't take too long to get them back to 100% power!

100W cable included

To make it easier for you to use the charger and allow you to use it to its full potential, the kit comes with a 2-meter USB-C to USB-C cable. It supports fast charging and stands out for its power of up to 100W. In addition, one of its connectors is curved at a 90° angle, so you can comfortably use your plugged-in equipment - nothing will stick out or bother you!
