

Wall charger Acefast A29 PD50W GAN, 2x USB, 50W (white)

Ref: 6974316281450

Wall charger Acefast A29 PD50W GAN, 2x USB, 50W (white)

Acefast A29 PD 50W GaN 2x USB-C wall charger

Enjoy the ability to quickly charge 2 devices simultaneously. The Acefast A29 charger puts 2 USB-C ports at your disposal and provides a maximum output power of up to 50W. It also stands out for its wide compatibility and uses advanced GaN technology, which guarantees more stable operation and efficient cooling. The product also supports various fast-charging standards, and uses fire-resistant PC for its construction.

You can connect up to 2 devices to it

No longer do you have to occupy more outlets or wait for one device to be charged before connecting another. The Acefast A29 charger will allow you to quickly charge 2 devices at the same time! With its help, you will easily restore energy to most tablets and smartphones of well-known brands.

Fast charging

Don't like waiting too long for your devices to charge? The A29 charger will be perfect for you! The product supports such fast charging standards as PPS, PD3.0, QC4.0+, AFC, FCP and SCP. It also provides a total output power of up to 50W. All this means that your equipment can be up and running in no time!
