Powerbank Joyroom JR-QP192 20000mAh, 22.5W (black)

Joyroom Powerbank JR-QP192 20000mAh, 22.5W (black)

Quickly and safely renew the power of 3 devices at the same time with the Joyroom JR-QP192 powerbank. It supports fast charging protocols (PD3.0, QC3.0, AFC, SCP, FCP, etc.), and the lightweight design ensures convenient transportation. The 20000 mAh capacity translates into long runtime, and the built-in display will let you know the remaining energy level.

Charge 3 devices at the same time

The powerbank is equipped with ports: USB-C and x2 USB-A, so you can charge 3 devices at the same time. What's more, with 22.5 watts of power, you'll renew your device's energy in no time. Meanwhile, the 20000 mAh capacity allows you to charge your iPhone 13 about 4 times, and AirPods up to 25 times!

Wide compatibility

The Joyroom powerbank is compatible with devices that work with such fast charging protocols as PD3.0 (20W), QC3.0 (18W), FCP, AFC, SCP (22.5W) and PE. As a result, with its help you will renew the energy of, for example, smartphones from Huawei, Apple, Samsung, Xiaomi, and LG brands. In addition, the JR-QP192 will also charge iPad, wireless headphones and AirPods, as well as smartwatches.

Secure charging

The product features several safety features so you can use it safely. The powerbank protects your device from short circuit, overheating, overvoltage, overcurrent or over-discharge.

LED display

Now you can always stay up to date and monitor the device's operation. The Joyroom JR-QP192 powerbank is equipped with an LED display that will let you know the remaining battery level. All you have to do is take a look.
