Joyroom JR-ZS259 car cup slot holder (black)

Take advantage of the cup hole in your car and mount the Joyroom JR-ZS259 phone holder in it. The product is easy to install and provides a stable position for your phone, while the bendable headband allows you to adjust the height and angle. The phone's positioning is also a plus - you can use it vertically or horizontally.

Tailored to your needs

Has your car been equipped with a cup slot that you don't use? Opt for practical solutions and equip yourself with the Joyroom JR-ZS259 holder. Its base can be adjusted from 63 to 93 mm, so you can easily mount it on many popular car models. The mount is compatible with smartphones with a diagonal of 4.7 - 6.7" and guarantees a stable position of the phone - even on a bumpy road or during sudden braking.
