

Motorcycle Holder Joyroom JR-ZS288 for Phones (Black) Motorcycle Holder Joyroom JR-ZS288 for Phones (Black)

Joyroom JR-ZS288 motorcycle mount for phones (black)

Do you ride a motorcycle? Equip yourself with a practical phone holder and ensure maximum comfort while traveling. The Joyroom JR-ZS288 holds your smartphone in a stable position and allows comfortable one-handed operation. You can customize its position and use your phone both vertically and horizontally. The product is compatible with handlebars with a diameter of 15 - 31 mm and phones with a diagonal of 4.7" - 7".

Maximum driving comfort

With this product you can comfortably and safely use navigation while riding your motorcycle. You can easily mount it on handlebars with a diameter of 15 to 31 mm, moreover, the holder will guarantee a stable position for smartphones with a diagonal of 4.7" to 7".

Resistant and durable

The Joyroom JR-ZS288 mount is made of high-quality ABS and PC materials, making it resistant to any mechanical damage. The safety lock ensures that you don't have to worry about your smartphone falling, moreover, the holder won't scratch the surface of your device and maintains a stable position even on a bumpy road.
