USB cable Joyroom S-01530G10 3in1 USB-C / 2x Lightning 3.5A

Joyroom USB Cable S-01530G10 3-in-1 USB-C / 2x Lightning (black)

Equip yourself with a single, practical cable that allows you to charge three different devices simultaneously. The product is equipped with one USB-C output port and two Lightning output ports and allows you to renew power with 3.5 A. The sturdy construction makes the cable resistant to bending, its advantage is also its wide compatibility.

Tailored to your needs

The Joyroom S-01530G10 USB cable has three output ports (USB-C and 2x Lightning), making it possible to renew the energy of many different devices. With its help, you can easily charge your iPhone, iPad or iPods, as well as smartphones from manufacturers such as Samsung and Huawei. The cable will also prove useful for renewing the energy of powerbanks, small fans and other devices with a USB-C port.

Convenience and time saving

You no longer need to carry several cables to charge essential devices when needed. Just equip yourself with the Joyroom S-01530G10 cable, with which you can renew the energy of 3 devices at one time. Importantly, the USB-C and Lightning output ports make the cable suitable for both Apple products and other Android smartphones.
