Your laptop doesn't have enough ports? Now it's not a problem! The adapter is equipped with inputs: 3x USB, 1x USB-C, SD / TF, so you can connect to it, for example, a keyboard, mouse, flash drive, etc. What's more, it provides data transfer speeds of up to 5 Gbps (USB 3.0) and 60 W PD charging. In addition, its lightweight and compact design makes it easy to store, while its aluminum construction guarantees durability and prevents overheating.

Fast charging
Enjoy instant charging of your equipment! The Dudao adapter supports PD 2.0/3.0 fast charging protocols, so you no longer have to wait indefinitely for your smartphone to charge. Note: in order to use the fast charging function, you need a charger that supports the above-mentioned protocols.

Fast data transfer
Another advantage of the Dudao A15S is that it can transfer files at 5 Gbps (if you use the USB 3.0 port. What's more, you can copy data and charge your device at the same time. In addition, the adapter is equipped with an SD/TF slot and allows you to read data from both cards at the same time.
