

Car phone holder Dudao F12s for dashboard (black)

Ref: 6973687244682

Car phone holder Dudao F12s for dashboard (black)

Car phone holder for dashboard

Get even more comfort while traveling by car. Dudao F12s car holder will allow you to comfortably use navigation or take calls. Thanks to the built-in magnets, they guarantee incredible stability. It is extremely easy to use and allows you to adjust the length and position of the arm, as well as the angle.

Tailored to different needs

The gripper allows you to adjust the length and position of the arm, as well as the viewing angle within 360°. This allows you to easily adjust the position of your phone to suit your needs. The compact design in no way limits your visibility while driving.

Durable and sturdy

The mount is made of high-quality materials with exceptional durability. It is equipped with 6 built-in magnets that hold the phone stably in almost any conditions. So you don't have to worry that yours will fall and be damaged.
