Car charger Dudao R5ProL 1x USB, 3.4A + Lightning cable (gr

Dudao R5ProL 1x USB, 3.4A car charger + Lightning cable

The Dudao R5Pro car charger will come in handy for any driver. It is equipped with a USB port and also has an 80-centimeter Lightning cable, so you can charge up to 2 devices at the same time. No longer do you have to worry about your phone discharging while you're on the road! The product provides up to 3.4A and is compatible with most 12V / 24V vehicles.

Equipped with Lightning cable

Do you use an iPhone on a daily basis? You no longer need to take extra cables with you when you go on a trip! The Dudao R5Pro charger is equipped with an 80cm Lightning cable, so you can conveniently charge your smartphone. It also offers a USB port, so you can additionally connect another device to it, such as a passenger's phone. The product provides a total amperage of up to 3.4A - so you don't have to wait too long until your equipment is ready to use!

Compact design - safe to use

The R5Pro charger is not only functional, but also extremely compact and portable. It won't take up too much space in your car. It is also distinguished by its wide compatibility. The device fits perfectly into 12V / 24V vehicles such as cars, SUVs or even trucks. The charger is also equipped with an advanced system that protects it from overcharging, overcurrent, overheating and short circuit.
