Bluetooth headset for calls Dudao U9B (black)

TWS Dudao U9B handset

Enjoy high quality sound. The TWS Dudao U9B handset will let you talk freely and provides clear, natural sound. The Bluetooth 5.0 connection guarantees a reliable wireless connection, and the built-in touch panel allows convenient operation. The device is also extremely lightweight - weighing only 3g.

Bluetooth 5.0

Don't worry that signal problems will prevent you from having a comfortable conversation. The U9B uses modern Bluetooth 5.0 technology, which ensures a reliable, fast and stable connection. Forget about stuttering, delays and unexpected interruptions in transmission!

Compact design

The U9B handset is incredibly lightweight and compact - you won't even feel you have it in your ear. As a result, it provides unparalleled comfort, even during long conversations. It weighs just 3g and is only 15mm in size. You can also enjoy convenient, touch-sensitive operation of the device.

Long operating time

Mobilemax - Gadgets and Accessories Rua Vasco da Gama n61, 8005-411, Estoi - Faro, Portugal (Continente) Telefone: +351962484153
(Chamada para rede móvel nacional)
