USB-C to USB-C cable Choetech CC0001, 0.5m (black)

Ref: 6971824970807

Choetech CC0001 USB-C to USB-C cable

Ensure your devices can be charged quickly. The Choetech CC0001 USB-C to USB-C cable provides up to 60W of power and up to 3A, and supports the PD standard. It also allows you to transfer files at speeds of up to 480Mbps. At the same time, it stands out for its high durability and wide compatibility.

Fast charging

The cable supports PD 60 W fast charging and can provide up to 3A. This allows it to restore power to selected smartphones, tablets and even laptops in a short time. No more prolonged waiting until your devices are ready to serve you again!

Transfer files in no time

If you frequently transfer files between devices with USB-C ports, the CC0001 cable will certainly come in handy. The product allows you to transfer data at speeds of up to 480Mbps. Thanks to this, all the photos, videos, documents or music you need will be at their destination in no time!

Wide compatibility

Forget about compatibility problems. The CC0001 cable allows you to seamlessly charge a wide variety of devices equipped with a USB-C

port. It works perfectly with Samsung and LG smartphones, as well as selected MacBooks, Lenovo laptops and Nintendo Switch consoles, among others.

Refined in every detail

Bet on the highest quality workmanship. The cable features a tin-plated copper cable for reliable signal transmission. It also has a TPE plastic sheath to protect it from damage. What's more, the advanced Safe Charging 3.0 technology guarantees safe charging of your devices.
