2.0 computer speakers for gamers Blitzwolf AA-GCR3, Bluetooth

Blitzwolf AA-GCR3 2.0 computer speakers for gamers

Enjoy high quality audio and give yourself the immersion level of your dreams. The Blitzwolf AA-GCR3 2.0 computer speakers are equipped with up to 4 drivers to offer stunning HiFi stereo sound. They are also distinguished by colorful RGB backlighting with 6 available effects. You can connect to them via Bluetooth 5.0 or via a 3.5mm AUX cable. Their convenient operation is made possible by the remote control integrated into the cable.

Excellent HiFi stereo sound quality

Immerse yourself in the gameplay and deliver an unforgettable experience. The AA-GCR3 speakers can deliver high-quality HiFi stereo sound - they are equipped with 4 drivers and their output power reaches 2x 5W. What's more, the advanced 2.0 system means you can enjoy a wider sound field and emphasized, powerful bass. As a result, you will easily hear and locate the approaching opponent - now you won't be surprised anymore!

Dynamic RGB backlighting

Take care of the amazing atmosphere in your gaming room. AA-GCR3 speakers are distinguished by colorful RGB backlighting that will allow you to create a fantastic atmosphere. You can also choose from 6 interesting effects such as Blue, Streamer, Spectrum, Color Change, Red and Green. Try out all the available settings and see which one you like best!

2 connection options

You can connect to the speakers in 2 ways. For example, there's the option to connect them to your computer via a 3.5mm AUX cable. Prefer a wireless solution? Connect to the AA-GCR3 via Bluetooth 5.0 and enjoy stable, fast transmission - don't worry about delays or other signal problems. Now nothing limits you anymore!

Even more conveniences

Despite their large capabilities, the speakers are extremely compact - they won't take up too much space on your desk. Their dimensions are only 102x179x82mm. What's more, operation of the devices is facilitated by the remote control integrated into the cable. Using it, you can, for example, adjust the volume or select lighting effects. With Blitzwolf everything you need is always at hand!
